## A Thought From Mark…

***Important Upcoming Stuff***

*TODAY – TEACHER'S MEETING – 5:00 PM

Calling all potential teachers, helpers, aides! We need your help and contribution of your gifts to make our children's Bible classes a continued success! Much work has gone into creating a great curriculum and a fun way to learn the Bible for our kids. We do not yet have enough staff, frankly. There are certainly enough potential staff in this congregation. Will you step up today and let us know you will help? I hope so. Our success depends upon you! Hope to see you today at 5:00!

[If you cannot make it, please notify one of us of your interest in helping: myself, Tracey Mason, Kathy Mincks, call the church office, etc.]

**NEXT SUNDAY – KIDFEST PLANNING MEETING – 5:00 PM

Our Fall KIDFEST is approaching fast – on September 16th, 10:00-2:00, in our parking lot here at the building. I need my staff to come and get organized at this meeting, and I need my staff to increase as much as possible! This is a great way to meet and greet people in our community that we are charged with reaching. It is a chance to introduce local children to the church and what it offers! What better thing could we do? See you next Sunday at 5!

***September 6th – Acts class resumes!

I hope you have enjoyed Summer Series if you have been in it these last many weeks. The series will end on August 30th. My class on the book of Acts will then resume where we left off in the late spring in the MP Room. Hope to see you all back. And if any want to come who did not before, you are welcome, and we will get you up to speed quickly!

**Finally, a big pat on the back to the church for doing another great job on the School Store this year!! Special thanks to Jim and Zenna Hall and their crew in leading the effort the actual days of the giveaway. Church, you once again showed your generous heart for children! Now, let's follow up, follow through, and move ahead!**

## "The Battle Belongs To The Lord!"

Have you ever noticed when someone smiles at you it is difficult not to smile back at them? Smiles are catching! Someone observed, "Smile, it is the key that fits the lock of everyone's heart!" I like that observation, don't you? There are so many things in life bringing unwanted frowns on people's faces, so when we are greeted is it any wonder we don't react? If we spend our time dwelling on the "distractions" of life, like sickness, economic reversal, political turmoil, and broken promises, we will certainly lessen the chances of a smile breaking out on our lips!

The apostle Paul wrote about learning to be content regardless of our circumstances! Good advice…very good advice! One of my favorite stories from childhood was about the "little engine that could." I remember Mom telling me that story many times and I believe it had an impact on my life. I was thrilled to hear about the little engine topping out the hill and running freely down the other side yelling… "I thought I could…I thought I could…", over and over! The mountains I have had to climb have not been as high nor as rough as some others, but neither has yours, right? They seemed insurmountable and unfair at the time, but we made it to the crest and excitedly sailed down the other side!

We have the promise of God we will not confront anything in life that we cannot overcome with His help! Whether it is one of those "mountains" mentioned above or some of a more spiritual significance like resisting Satan's efforts to destroy us. I know the Word says, "…resist the devil and he will flee from you." I believe that to be true, but my problem (and maybe yours) is not resisting sufficiently on my own to cause Satan to give up! My nightly prayer is to be stronger in my resistance and for help in remembering I am not strong enough to overcome him, I desperately need God to fight this battle with and for me!

It is true, "…the battle belongs to the Lord!"
Love you all, Bill

## School Store 2017

Our annual School Store was held on July 31st through August 2nd, and once again it was a huge success! Thanks to your generosity and the hard work of our volunteers, 62 backpacks filled with school supplies were distributed to children of area families. Late donations that you designated for supplies will be used to purchase more backpacks, which will be added to the leftover supplies and taken to area schools this week.

Thanks for making this ministry possible, and remember to pray for the students, teachers and school administrators as this new school year begins.
