(Who was baptized Tuesday afternoon.)

Our guest speaker and Bible class teacher this morning is Bill Brant. Bill is the president and CEO of Hope For Life, a Herald of Truth Ministry, the Abilene, Texas, based organization dedicated to using all forms of mass media to share the Gospel of Jesus with the world. Bill received his A.A. degree from Freed-Hardeman College, his B.A. degree from Harding University, and his M.A. in Radio-TV-Film from University of Kansas.

He has written numerous religious articles for Gospel Advocate, Bible Truth, Christian Chronicle, Firm Foundation and currently writes for the internet magazine Heartlight.org. Bill and his wife Patty attend the Southern Hills Church of Christ where he teaches an adult Bible class.

"Renewing Our Commitment!"

In recent days we have heard some pretty distressing news regarding major hurricanes, raging fires, alien threats to our homeland and probably some personal news bringing us unwelcomed stress. There is little we can do to keep such news from reaching our eyes and ears, but how we react to such disturbing news is well within our realm of control!

I can only think of one real solution to this stress and fear! Our commitment to God and His promises! We should take great comfort in knowing Jesus taught his disciples to count on him being with them to the end of the age. (Matthew 28:20) His promise to be "the way the truth, and the life" (John 14:6) for each us as we journey to the promised city of God should be very reassuring. His commitment to us is more than being the Savior of our soul even though that is more than we have a right to expect. He wants to be the "Lord of our life," also. Remember, he cannot be the "savior of our soul" without being the "Lord of our life!" Yes, that's right... "Savior of our soul" and "Lord of our life!"

There are many folks who would "amen" his being the Savior of our soul, but they do not want him to be directing their steps in this life. It is a bit like saying, "I will take care of the way I live, Lord, you just save my soul!" Friends, it does not work that way!

Today is the day a commitment to faith in God should be dominating our thinking! For several weeks we have spent the Sunday adult class time in the great chapters of HEBREWS and have concluded the message to be heard is one of perseverance!

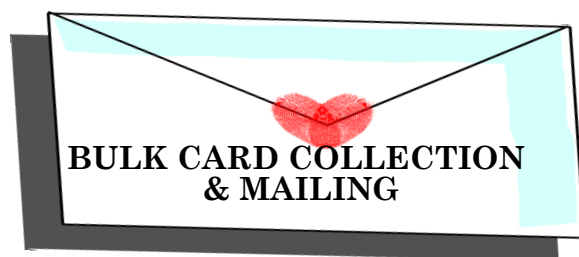

Maintaining a strong commitment to the will of God is heard page after page in this epistle. We need to hear this message in this challenging time of life! With the above stressors comes the possibility of discouragement and a return to the old way of life. We need to renew our commitment daily as we journey toward home!

Love you all, Bill
