A Thought From Mark...

NEW Wednesday night ADULT CLASS

Within the next couple of weeks my Wednesday night class will begin a new study. This year we have been working through the books of Acts together, and should finish at the end of the month. Our new study for a time will be an in-depth look at the last week of the life of Jesus. Title: "THE MOST IMPORTANT WEEK IN THE HISTORY OF THE WORLD." We will focus on those passages in the gospels which detail the events of what the religious world calls "Passion Week," starting with Sunday of the last week, and going clear through until the next Sunday, the first Lord's Day – resurrection day! It would be a great time to join this class as this promises to be a fascinating and meaningful study together. You are invited! Invite a friend!

Making it Through the Holidays

Bill Butterfield will be hosting an informal chat session at the building on Monday, November 27th starting at 1:30 PM. For those who have lost loved ones or will be without that special person, the holidays can be a difficult time. If you are experiencing this, please come and support others and be supported. There is no fee and snacks will be available. If you have a friend who would benefit from such, please invite them and come with them. See Bill if you have questions or want more information.

"Attitude is Everything"

You may recognize the title as the catch phrase for a popular athletic apparel company. While attitude means nothing if the truth is not being taught, a person's attitude toward God and each passage of Scripture will determine how the truth is received.

If they don't believe in God, they will not be motivated to obey Him. If they don't believe in the inspiration of the Bible, they will not see any reason to study it. If they feel a certain passage of Scripture does not apply to them, or does not mean what it says, their life will not be changed by that passage.

A person can believe that Jesus Christ is the Son of God, but if they don't think that fact can have a direct impact on their life, then believing it does them no good. A person can decide they are going to repent from their sins, but if they think that living differently without being baptized is all they need to do to go to heaven, they will fall short of their goal. A person can be baptized into Christ, but if they have the attitude that a continuing relationship with God in which they mature spiritually is not necessary, they will not only miss out on a powerful and joyful life, they will also miss out on their eternal reward.

It may seem there are so many attitudes in the world working against us that our efforts to share the gospel will be in vain. But we must remember that God has the power to change attitudes! Through hearing His Word, and experiencing the results of Christians living the principles taught in His Word, unbelievers can be transformed into powerful Christians. We must have the attitude that the gospel of Christ is the only true message that can save men's souls. We must have the attitude of Christ that we will love and serve and sacrifice in order to take that message to the lost. We must have the attitude that we will not change the message to please those who hear us, but that we will patiently listen, reason and teach to change their attitudes so that they will be able to accept the true message.

"Preach the word; be prepared in season and out of season; correct, rebuke and encourage – with great patience and careful instruction." 2 Timothy 4:2
