## A Thought from Mark...

We are excited to announce our **Wednesday night Summer Series** for 2018!

Our theme:

"***The Be-Happy Attitudes: An In-Depth Look at the Introduction to Jesus' Great Sermon***."

We will be focusing, of course, on what we usually refer to as the Beatitudes, from Matthew 5:3-12.

Our speaker line-up is not yet 100% confirmed, but in addition to a few of our local men, we will have with us the following: John Keith, Harry Ogletree, Sam Bartrug, Tom Butterfield, Ted Blackwood, Jim Wright,

and Stephen Walker.

The series will begin the 2nd Wednesday night in June – **June 13th**, at 7:00 PM. We hope you plan to come and enjoy this great series and these good men who will share it with us!

## "How Much Like Jesus Are We?"

Do you have any friends who just hang around most of the time? Whatever you are doing, they are there to share it with you! The time of day or night does not seem to matter because they will be close by! They just do not leave! However, when you need them for some purpose they cannot be found anywhere! That is a little frustrating, is it not? No, it is a LOT frustrating, right?

How many people come into our lives because they cannot find that which they need? They cannot find it from their friends, counselors…not even from US! How lonely and desperate do you suppose they feel? When those who should love you the most turn their backs around, where do you think they go? Family? Strangers? Foes? We all are so glad our friend, Jesus, does not treat us that way, right? He does not love us when we are good, but he loves us every day all day! He does not just love us when we are good, but he loves us all day every day!

Even when we greatly disappoint him, he still loves us! That is what makes him…Jesus!

I know people make terrible decisions and do terrible things and I know how greatly they disappoint us, but is this not the time we need to "…put on the mind of Christ…" and become like Jesus? This is the time we need to become his instruments of righteousness! It should never bother us if these people are foe, friend or family! I must admit it does surprise me when some have more patience with foes and friends than they do with family.

When the depth of your love is challenged is when you find out how much you are like Jesus. I do hope you and I pass this important test!

Love you all, Bill

Each year when they make their trip to Romania, Mike and Ginny Moss take money the members of the church give toward benevolent work in Romania. We initially called it "Milk Money" because it was used to provide milk for orphanages and needy Christians. Now it is going to provide all sorts of food supplies. If you would like to contribute to this good work, please give your contribution to Mike or Ginny or to Dan Mincks by May 6th.

## 3 John

The elder to the beloved Gaius, whom I love in truth. Beloved, I pray that all may go well with you and that you may be in good health, as it goes well with your soul. For I rejoiced greatly when the brothers came and testified to your truth, as indeed you are walking in the truth. I have no greater joy than to hear that my children are walking in the truth. Beloved, it is a faithful thing you do in all your efforts for these brothers, strangers as they are, who testified to your love before the church. You will do well to send them on their journey in a manner worthy of God. For they have gone out for the sake of the name, accepting nothing from the Gentiles. Therefore we ought to support people like these, that we may be fellow workers for the truth. I have written something to the church, but Diotrephes, who likes to put himself first, does not acknowledge our authority. So if I come, I will bring up what he is doing, talking wicked nonsense against us. And not content with that, he refuses to welcome the brothers, and also stops those who want to and puts them out of the church. Beloved, do not imitate evil but imitate good. Whoever does good is from God. Demetrius has received a good testimony from everyone, and from the truth itself. We also add our testimony, and you know that our testimony is true. I had much to write to you, but I would rather not write with pen and ink. I hope to see you soon, and we will talk face to face. Peace be to you. The friends greet you. Greet the friends, every one of them.
