## 22nd Annual 36th Street Friday Night Sing

*(Where it all began!)*

**Friday, June 9, 2017  
7:00pm - 9:00pm**

### **Singing Is An Immensely Powerful Tool**

What we sing about carries a massive influence over what we think about and thus what we do. You can likely recall dozens of songs you learned before the age of ten, all of which have informed how you think, how you live, how you view God, and even how you pray. Songs are unique in the way they are able to deeply plant ideas and concepts in our hearts, stirring our affections and ultimately shaping our actions.

Throughout history, songs have been a primary way in which God's people have learned their faith and expressed their worship. In the Scriptures, God uses singing as a way to teach truths about who He is and what He has done, to comfort his children in times of distress, to warn His people of the dangers of idolatry, and to propel His people to be engaged in the brokenness of the world. *(adapted)*

### **"CAREGIVING - A FAMILY AFFAIR!"**

Most of you know I have a rabid interest in "caregiving"! This is demonstrated in unique ways, but most significantly in wanting to encourage those who have been given this assignment due to the failing health of a spouse, parent, child or even a close friend. I do not wear the shoes of these people now, but understand I may have to walk in those shoes at any moment. If that should happen I do not want to walk alone and I am determined those wearing servant sandals today will not walk alone either!

Later this month (June 27, 2017) we will be hosting a "Caregivers' Workshop" designed to give much needed encouragement so deserved by many. We have families within our church and community who are determined to care for their loved ones at home until it is impossible to do so. I commend the love demonstrated by such commitment! Here is where those of you not yet bearing this extra weight have a distinct part to play. I want to encourage you to volunteer to stay with the one needing assistance so those directly involved can take the three hours away to attend the workshop. Many of them will not or cannot do so if such a substitute is unavailable. You need to approach the caregiver with the gracious news you are available and eager to serve. I hope when you ask, you will hear, "Someone has already volunteered to help, but thank you for asking!" Will you be the "someone" who asks first?

In the immediate days following the workshop I hope to compile a list of those willing to temporarily serve so these precious caregivers can have a little time to themselves. What a gift of love this would be!

Remember, this "shoe" may be worn by any of us at any time! Let's plan now so we do not have to walk alone!
