Good Morning Church! I want to bring up something that I feel everyone at some point in their life has encountered, that's right, Anxiety. For many years I have struggled greatly with anxiety and its effects on my focus and even my health. All too often we allow things to steal our focus from the love and kindness of God because things are not going our way. Life at work is not going well, school work is too difficult, troubles at home, relationship issues, or financial struggles all vie for our attention and they will not play nicely. We must be very careful not to give power to the things of this world that would take us away from God.

Like Philippians 4:6-7 says, prayer and worship is how we can fight our anxieties. When we are focused on Christ, it doesn't matter what is wrong with finances, it does not matter if work is going well, it doesn't matter if there is trouble at home or if school work is too difficult. Those things are not what is important in our lives. The sacrifice Jesus made on the cross was made so that we could be forgiven of sins and have a chance to live with God in heaven. God did not create you to live in fear, he created you to love, care, and serve in His name. Things don't seem so big when God is right next to you. I hope this encourages us to trust God wholeheartedly as well as pray for and with one another.

**September 1 is next week!** That means our **OVU College Welcome Night** is upon us. Please **bring a dish or dessert to share** in the Multi-purpose room and get to know our incoming college students after evening services. We are hosting a College and Young Adult Discussion Group on Wednesdays. It is already off to a great start, so this will be a good opportunity to keep this momentum going! Thanks to everyone who donated cookies for our outreach event at the college.

# Q&A

You have

Questions

We have

Answers

On the third Sunday of each month, Marcus and I will be conducting a "Question and Answer Night." Our first will be on October 20. We are asking you to submit questions that you would like for us to explore. These should be submitted by the first Sunday of each month. Our goal will be to answer two

questions each week. Some examples of questions might be: "Why do we sing acapella?"; "What about abortion?"; "How do we reconcile grace and works?"

Please submit your questions in writing, by email or on the Facebook group.

Dr. Michael Moss

Please see me or leave a detailed message in my inbox if you know of any corrections to announcements, prayer requests or directory changes. Be as specific as possible so that I can ensure the congregation is notified properly. Thank you! Ethan
