

Happy Birthday Maureen!

GEOFFREY, MERU, KENYA
AUGUST 15TH, 2018

- ❖ For Maureen Wangeci's birthday this year (9th August), we decided to travel 100km away from home, to go hunt for pizza in a town called Nanyuki, the home of Cedar Mall. They have Pizza Inn.
- ❖ We also agreed to cut down the cost by doing away with the idea of a birthday cake! We chose to just have some road trip to and from Nanyuki and a good pizza.
- ❖ Unfortunately, it was the first time for our sweet son to taste a pizza.

...the look when the box with pizza landed on our table!

...tried to taste it, wondering what it was!

...and like you guessed, he wouldn't eat it.

...worried, Maureen tried to give him a drink.

...that went well.

...he decided to be busy on the table as we ate.

...and then I bought him ice cream and was surprised that he really liked it.

...then he found something to ride around

...and now he was having fun.

...and then we took one photo for the memories.

...and another one.

...the look I got when I said we needed to go home!

...nobody was willing to leave this place.

...some had to be carried back to the vehicle.

...and they really tried to make it difficult!

...ALL SAID AND DONE, WE
HAD A GREAT
BIRTHDAY
OUTING...THANKS AND BE
BLESSED.
